The screenshot shows the Lighthouse interface in a browser. The top navigation bar includes 'Elements', 'Console', 'Sources', and 'Lighthouse'. The address bar shows the URL 'http://127.0.0.1:5500/Accessibility.html'. Below the navigation bar, four circular progress indicators represent different audit categories: Performance (100), Accessibility (96), Best Practices (92), and SEO (91). The main section of the image is a large circular progress indicator showing a score of 100 for the 'Performance' category. Below this, a text block explains that values are estimated and may vary, and that the performance score is calculated directly from specific metrics, with a link to a calculator. At the bottom, a legend indicates the score ranges: 0-49 (red triangle), 50-89 (orange square), and 90-100 (green circle).
